CERS WORKSHOP

CALIFORNIA ENVIRONMENTAL REPORTING SYSTEM

FOR FARMS, NURSERIES, AND AGRICULTURAL HANDLERS

The County of San Diego is offering a workshop to assist you with CERS!

Effective *January 1, 2013,* State law changed requiring all regulated businesses to submit their Unified Program facility information and business updates electronically, instead of paper forms.

To comply with state law and avoid violations, businesses must electronically submit required information using the California Environmental Reporting System (CERS).

Location and Date:

San Diego County Farm Bureau Office

1670 E. Valley Parkway

Escondido, CA 92027

June 25, 2015

[1:00PM—3:30PM]

FOR BUSINESSES

THERE'S NO COST TO ATTEND!

Please bring your own laptop devices if possible.

Wi-Fi will be available.

All businesses with a Unified Program Facility Permit or registered with the Hazardous Materials Program are encouraged to come ask questions and get help with CERS.
