Hi Kelly,
We are trying to make our final changes to the EIR as we speak so that it can be made available to the public by the end of this week. We are also trying to docket the project for Planning Commission on January 16th and Board of Supervisors on February 4th. You will see emails and snail mail notices from us very soon regarding the Final EIR, the PC hearing, and the Board hearing.

Hi Robert,

What is the current estimate for public release of the Final EIR for the Soitec Solar project in Boulevard? Are there potential dates for the Planning Commission and Board of Supervisors meetings about it?

Many thanks,
