CARE & SHELTER PROGRAM UPDATE

County of San Diego Office of Emergency Services

SHELTERING PROGRAM

County Shelter Team Program Overview:

- Providing for the care and shelter of residents during an emergency is a critical function that must be performed.
- To ensure that County employees are prepared to perform the duties and responsibilities of the sheltering function during an emergency, the Office of Emergency Services developed a shelter training program. The objective of the shelter training program is to:
  - Explain the duties and responsibilities of shelter workers and managers.
  - Describe shelter opening, operating and closing functions.
  - Provide tools and resources to ensure successful shelter operations.
