Regional Tabletop Exercise Update

JUNE 2021

Regional TTX Background

A regional exercise is planned and executed every year as part of the region's Homeland Security Exercise and Evaluation Program.

The goal of this year's tabletop exercise:

- Increase proficiency in identified core capabilities
- Enhance multi-agency/multi-disciplinary response to a wide-spread long-term power outage
  - Resource Management
  - Public Messaging
  - Damage Assessment
  - Coordination across jurisdictions and organizations

Regional TTX Planning

ACTION	DATE
Concept & Objectives Meeting	January 19, 2021
Initial Planning Meeting	February 23, 2021
Mid-Term Planning Meeting	April 20, 2021
Final Planning Meeting	June 15, 2021
Regional TTX	**July 27, 2021**
AAR Due	September 2021

Regional TTX Details

SCENARIO: Terrorist attack targeting two electric substations that causes a wide-spread regional power outage lasting 30+ days

DELIVERY:

- **Module 1:** 72 hours post-attack *(focus on response to the widespread power outage)*
- **Module 2:** 96 hours post-attack *(focus on downstream impacts)*
- Virtual delivery platform using both large group moderated discussions and smaller facilitated breakout groups

Regional TTX Participation

CITIES

- Allowed up to 4 players (recommend one fire, one law enforcement, one emergency manager, one administrator/PIO) – will speak on behalf of the City
- Other representatives may attend as Observers, as space allows

NON-CITY AGENCIES

- Allowed 1 player – will speak on behalf of their agency
- Other representatives may attend as Observers, as space allows

Limited to 150 total players!

Exercise Registration

- Flyer with registration details sent to Exercises Planning Team and regional partners in early May

Registration deadline is July 13

2021 San Diego Regional Tabletop Exercise (TTX)

Exercise Overview

The TTX will allow participants to exercise plans, policies, procedures, and necessary coordination between regional stakeholders to bolster the region's preparedness for a terrorist attack in the County of San Diego.

This TTX will help participants validate response and coordination capabilities before testing them in a full-scale exercise (FSE) that simulates a real-time, high-intensity environment in 2022.

Exercise Participants

The TTX will include stakeholders from disciplines across the region, including:

- Emergency Management
- Law Enforcement
- Fire Services
- Emergency Medical Services
- Hospitals
- Federal Partners
- Local Government
- Utilities

Exercise Structure

Item	Time
Welcome and Introductions	5 minutes
Exercise Briefing	15 minutes
Module 1: Response to widespread power outages (72 hours post-impact)	55 minutes
Module 1: Group report-out	30 minutes
BREAK	10 minutes
Module 2: Addressing downstream outage impacts (96 hours post-impact)	55 minutes
Module 2: Group report-out	30 minutes
Exercise Debrief	10 minutes

LOCATION

Virtual (Microsoft Teams)

DATE/TIME

July 27, 2021
9:00 a.m. – 12:30 p.m. PDT

Click Here to Register

Series Overview

Every year, the County plans and executes a regional exercise, alternating between regional TTXs and FSEs. This year's TTX will focus on exercising the region's strategic and operational response capabilities, rather than the tactical aspects of a response.
