HEALTH SCIENCES HIGH AND MIDDLE COLLEGE
REGARDING ADOPTION OF CONFLICT OF INTEREST CODE**

COUNTY OF SAN DIEGO
BOARD OF SUPERVISORS

THOMAS J. PASTUSZKA
CLERK OF THE BOARD
OF SUPERVISORS

I, Frederick Johnson, hereby declare:

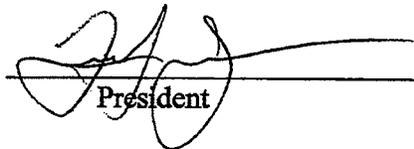

I am the President of Health Sciences High and Middle College, a California charter school and a nonprofit public benefit corporation.

On June 4, 2007, the Board of Directors of Health Sciences High and Middle College considered the proposed Conflict of Interest Code. The proposed Code designates the officers, employees and consultants who make governmental decisions and exercise responsibility for the management of Health Sciences High and Middle College's investments.

The Board of Directors set November 3, 2008, for a public hearing, if requested, and for final adoption of the Conflict of Interest Code. Thereafter, notice of intent to adopt the Conflict of Interest Code was published on September 2, 2008 in a newspaper of general circulation in San Diego County. I also posted a notice of intent to adopt the Conflict of Interest Code on September 2, 2008 on all Health Sciences High and Middle College employee bulletin boards.

On November 3, 2008, at the time and place set forth in the notice, no person appeared at the public hearing, and no written comments were received. Accordingly, the hearing was thereupon closed and the Board of Trustees adopted the Conflict of Interest Code and directed that it be submitted to the San Diego County Board of Supervisors as the code reviewing body.

Dated: November 3, 2008

President

Approved and/or authorized by the Board
of Supervisors of the County of San Diego
Date 11/18/08 Minute Order No. 12
THOMAS J. PASTUSZKA
Clerk of the Board of Supervisors

Deputy Clerk

**RESOLUTION REGARDING
CONFLICT OF INTEREST CODE
OF
HEALTH SCIENCES HIGH AND MIDDLE COLLEGE**

1. Standard Code of FPPC

The Political Reform Act of 1974 (Government Code §81000 et seq.) requires each state and local government agency to adopt and promulgate a conflict of interest code. As a local government agency, Health Sciences High and Middle College is therefore required to adopt such a code. The Fair Political Practices Commission ("FPPC") has adopted a regulation (2 Cal. Code of Regs. §18730) which contains the terms of a model conflict of interest code, which can be incorporated by reference as an agency's code. After public notice and hearing, the regulation may be amended by the FPPC to conform to amendments in the Political Reform Act.

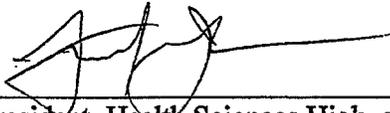

2. Adoption of Stand Code of FPPC

The terms of 2 Cal. Code of Regs. §8730 and any future amendments to it duly adopted by the FPPC are hereby adopted and incorporated herein by reference. This regulation and the Appendix attached hereto designating officials and employees and establishing disclosure categories shall constitute the Conflict of Interest Code of Health Sciences High and Middle College. This code shall take effect when approved by the Board of Supervisors for the County of San Diego, and shall thereupon supersede any and all prior codes adopted by Health Sciences High and Middle College.

3. Filing of Statement of Economic Interests

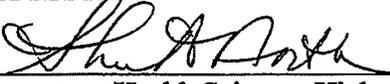

Pursuant to Section 4 of the model code set forth in 2 Cal. Code of Regs. §18730(b), designated employees set forth in the Appendix shall file statements of economic interests (Form 700) with the Secretary of Health Sciences High and Middle College. Upon receipt of the statements of the members of the Board of Directors, the Secretary shall make and retain copies and forward the original of these statements to the Clerk of the Board of Supervisors for the County of San Diego. Statements for all other designated employees shall be retained by the Secretary.

APPROVED AND ADOPTED by the Board of Directors of Health Sciences High and Middle College on the 3rd day of November, 2008.

President, Health Sciences High and Middle College

ATTEST:

Secretary, Health Sciences High and Middle College

**APPENDIX TO
CONFLICT OF INTEREST CODE OF
HEALTH SCIENCES HIGH SCHOOL AND MIDDLE COLLEGE**

Preamble

Any person designated in Section I of this Appendix who is unsure of any right or obligation arising under this Code may request a formal opinion or letter of advice from the FPPC or an opinion from Health Sciences High School and Middle College's General Counsel. (Gov. Code § 83114; 2 Cal. Code of Regs. § 18730(b)(11).) A person who acts in good faith in reliance on an opinion issued to him or her by the FPPC shall not be subject to criminal or civil penalties for so acting, provided that all material facts are stated in the opinion request. (Gov. Code § 83114(a).)

Opinions rendered by General Counsel do not provide any statutory defense to an alleged violation of conflict of interest statutes or regulations. The prosecuting agency may, but is not required to, consider a requesting party's reliance on General Counsel's opinion as evidence of good faith. In addition, Health Sciences High School and Middle College may consider whether such reliance should constitute a mitigating factor to any disciplinary action that Health Sciences High School and Middle College may bring against the requesting party under Gov. Code § 91003.5.
