Purpose

To establish a Board Policy to promote Veteran Owned Business (VOB) and Disabled Veterans Business Enterprises' (DVBE) participation in County Contracts.

Background

All veterans, and particularly disabled veterans have made great sacrifices serving and defending our country. Their dedication and sacrifices have not gone unrecognized. The County, like the State and federal governments, has recognized veterans' service through contracting practices that promote successful veteran participation in government contracting. This policy continues the County's practice of promoting successful veteran participation in County contracting.

Policy

It is the policy of the Board of Supervisors to promote veteran participation in County contracts by:

1. Establishing a three-percent (3%) DVBE subcontractor participation goal in applicable County Procurements where the prime contractor intends to use subcontractors.
2. Exempting from competition, pursuant to Board Policy A-87 (Competitive Procurement), procurements from DVBEs of goods and services up to \$50,000.
3. Exempting from competition, pursuant to Board Policy A-87 (Competitive Procurement), informal competitive procurements set aside for SBE and VOB with a total contract value not to exceed \$100,000.

Procedure

1. Definitions.
 - a. Veteran Owned Business/VOB: A business certified by the U.S. Department of Veterans Affairs (VA) as a Veteran-Owned Small Business (VOSB) or Service-Disabled Veteran-Owned Small Business (SDVOSB), or a business certified by the State of California as a DVBE.
 - b. Disabled Veteran Business/DVBE: A business certified by the State of California as a DVBE.
 - c. Procurement: The acquisition of services or public works, using a process of Formal Bidding, Competitive Negotiated Procurement, or Reverse Auction pursuant to Board Policy A-87 (Competitive Procurement); or the acquisition of professional services pursuant to Board Policy F-40 (Procuring Architectural, Engineering and Related Professional Services).

- d. Contract: All agreements, contracts, and purchase orders resulting from a Procurement.
- e. Director: The Director of the Department of Purchasing and Contracting.
- f. Special District: An entity established by State, federal or County law, regulation or Ordinance and where the governing body is exclusively comprised of the five members of the Board of Supervisors. The term Special District shall also include any authority whose governing body is exclusively comprised of the five members of the Board of Supervisors.

2. DVBE Subcontractor Participation Requirements.

- a. DVBE Subcontractor Participation Requirements are established for the following Procurements. For Procurements resulting in indefinite delivery/indefinite quantity Contracts. DVBE Subcontractor Participation Requirements shall be applied at the time of task order issuance based on the value of the individual task order.
 - i. Procurements for Services or Professional Services estimated to exceed \$1 million: the prime contractor shall make a good faith effort to meet or exceed a 3% DVBE Subcontractor Participation goal.
 - ii. Public Works Procurements estimated to exceed \$500,000 but not \$1 million: the prime contractor shall make a good faith effort to meet or exceed a 3% DVBE Subcontractor Participation goal.
 - iii. Public Works Procurements estimated to exceed \$1 million: the prime contractor shall meet or exceed 3% DVBE Subcontractor Participation goal.
- b. The DVBE Subcontractor Participation Requirements of this Policy shall apply to all Procurements paid for in whole or in part out of County or Special District funds, with the following exceptions:
 - i. Contracts where the prime contractor is a nonprofit organization.
 - ii. Contracts where the prime contractor is a Small Business Enterprise as that term is defined in Board Policy B-53 (Small Business Policy).
 - iii. Contracts where the prime contractor is a VOB.
 - iv. Public Works Procurements that implement federal or State requirements for disabled veteran contracting programs.

v. Procurements where DVBE participation goals or requirements are prohibited or modified by State or federal law.

c. Calculation of DVBE Subcontractor Participation: DVBE Subcontractor Participation shall be calculated by taking the aggregate value of all DVBE subcontractors proposed by the prime contractor as a percentage of the total value of the bid or proposal, or for professional services Procurements, the total value of the Contract. For Procurements resulting in indefinite delivery/indefinite quantity Contracts, DVBE Subcontractor Participation shall be determined by calculating the DVBE Subcontractor Participation for each individual task order. Only contractors that will perform a commercially useful function as defined by the State of California shall be used in the calculation of DVBE Subcontractor Participation.

d. Verification of compliance with applicable DVBE Subcontractor Participation Requirements.

i. Prime contractors shall submit for the County's review and approval a DVBE subcontractor utilization plan.

ii. County departments shall document their verification of the prime contractor's compliance with the DVBE Subcontractor Participation Requirements when recommending a Contract for award.

iii. Failure to provide adequate evidence of meeting a DVBE Subcontractor Participation Requirement in response to the County's Procurement requirements or subsequent request for evidence may be grounds for disqualification from Contract award.

iv. For procurements using Formal Bidding, if the lowest bidder does not comply with the DVBE Subcontractor Participation Requirements of this policy, it shall be deemed ineligible for award, and the next lowest responsive and responsible bidder that complies with this policy will become eligible for award.

3. Implementation.

a. The Director shall coordinate with the Office of Military & Veteran Affairs to promote this policy and its objectives.

b. The Director shall formulate and issue guidance specifying the procedures and processes to be followed to comply with the DVBE Subcontractor Participation Requirements. The DVBE Guidance shall generally be based upon the DVBE or equivalent participation goal program for State contracts established by current California statutes and regulations.
