

# 17th Annual Lawnmower Trade-in Event

8:00 a.m. to 12:00 p.m. (or earlier if we sell out)

Saturday, June 18, 2016 @ Qualcomm Stadium

9449 Friars Road, San Diego, CA 92108

## Requirements

- **Photo ID and proof of San Diego County residency.** These include a California Driver License or State-issued Identification Card, or any government photo ID card along with a utility bill or your personal check that shows your name and residential address anywhere within the County of San Diego.
- You can trade-in one or all four pieces of equipment (or any combination); however, only one of each type of equipment trade-in per household is allowed. Trade-in equipment must be gasoline-powered, in proper working condition and have all appropriate parts attached. Oil and gas should be emptied from the tank prior to arrival, if possible (we will handle small residual amounts of fluids).
  - To obtain oil and gasoline recycling information you may visit [www.WastefreeSD.org](http://www.WastefreeSD.org) or call:
    - Incorporated area city residents call 1-800-237-BLUE (1-800-237-2583)
    - Unincorporated area county residents call 1-877-R-1-EARTH (1-877-713-2784)
- Each piece of traded-in equipment will be inspected to verify that it is in working condition and eligible as a trade-in for the new electric equipment.
- Once the equipment is traded in to the County it cannot be returned.
- Cost of the new equipment is \$99.99 each (including tax).
- **Payment must be in cash or by valid credit card with proper photo I.D.**  
**NO CHECKS ACCEPTED**

## Parking Information

- The event will take place at Qualcomm Stadium, 9449 Friars Rd., San Diego, CA 92108. Free parking will be available at Qualcomm Stadium in the site's northwest corner in Sections D & E. Enter via the main gate on Mission Village Drive. Staff will be there to direct you.
- The gate opens at 4:30 a.m. for parking and customer line-up and the event starts at 8:00 a.m. Assistance for disabled patrons will be provided (overnight waiting is prohibited).

## Note to Participants

- There are only 500 lawnmowers, 100 chainsaws, 100 hedge trimmers, and 100 string trimmers to be distributed on a first-come first-served basis to eligible San Diego County residents who have a qualifying gasoline-powered lawnmower, chainsaw, hedge trimmer, and/or string trimmer to trade-in. (You can trade in one item or any combination up to all four items with equivalent trade-in)
- We suggest participants arrive earlier than the 8 a.m. start time as this is a popular event. Feel free to bring a lawn chair for your comfort while waiting in line (the lawnmowers usually sell out in about 3 hours).
- Once you are inside the parking area, you will be directed to line up with your old equipment and "Participant Numbers" will be handed out starting at the beginning of the line. You must remain with your equipment in order to receive your "Participant Number." This ensures that you will get new electric equipment if you and your equipment both qualify as noted above.
- **IMPORTANT:** A "Participant Number" cannot be given to a fellow participant holding your place in line or watching your equipment. At 8:00 a.m., the trade-in process will begin and you must be present to provide identification and to trade-in your equipment.

**For more information about this event, please feel free to call the San Diego County Air Pollution Control District at 858-586-2600.**
