

FOR YOUR INFORMATION

The Following Notice was Published by the District

**NOTICE OF PRELIMINARY DECISION BY THE
SAN DIEGO COUNTY AIR POLLUTION CONTROL DISTRICT
TO ISSUE A FEDERAL TITLE V OPERATING PERMIT**

Notice is hereby given that, in accordance with Regulation XIV – Title V Operating Permits of the San Diego Air Pollution Control District’s Rules and Regulations, the Air Pollution Control Officer has made a preliminary decision to approve application APCD2015-APP-004017 to renew federal Title V Operating Permit APCD1994-PTO-972673 for the City of San Diego – Public Utilities Department, for a wastewater conveyance, reclamation, treatment and disposal facility located at 5240 Convoy Street, San Diego, California.

The District performed an evaluation of the air pollution impacts of this proposal. The equipment is expected to operate in compliance with all applicable District Rules and Regulations and all applicable federal requirements. The proposed Title V Operating Permit incorporates conditions necessary to ensure compliance with all federal and District requirements. The facility is currently operating in compliance with District requirements.

The District is seeking comments on the renewal of the Title V Operating Permit for this facility. Written comments concerning the District’s proposed action may be submitted for a period of 30 days commencing on October 16, 2015, and ending on November 16, 2015. Please direct your comments to the attention of John Semerau, Air Pollution Control District, 10124 Old Grove Road, San Diego, CA 92131. Documents relating to the proposed action are available for public review at this address, as well as on the District’s website at http://www.sdapcd.org/homepage/public_part/notices/notices.html.

Should you have any questions regarding this notice or wish to make an appointment to review documents related to this action, please contact John Semerau at (858) 586-2749.

Members of the public may petition for a public hearing to receive comments on the proposed Title V Operating Permit. If the Air Pollution Control Officer determines that good cause exists, a public hearing will be scheduled.
