It is very important that you fill out all the information requested on this questionnaire for the crops you produce. Data we receive from you will be compiled in February and March. Please note: All information is kept strictly confidential and combined to come up with averages. As always, thank you for your participation. The Crop Report is an important tool for growers, insurance companies, bankers, marketers, government and all those who make decisions about agriculture in our county. Please contact Colleen Carr with the San Diego County Department of Agriculture, Weights and Measures with any questions.

If you no longer grow in the County, please provide your name and address so we can remove you from our mailing list:

An electronic version of the 2014 Crop Report is available on our website: www.sdcounty.ca.gov/awm

Please return your completed questionnaire by February 1, 2016 in the enclosed envelope, email colleen.carr@sdcounty.ca.gov or fax (858) 467-9697
