2016 Pest Control Business License Registration Notice

News

Did you know to apply pesticides on **city property**, in areas such as **parks and landscape medians**, you have to be licensed as an Agricultural Pest Control Business? Please call your inspector or (858) 694-8980 for more information.

There are recent changes to personal protective equipment (PPE) regulations regarding protective eyewear and chemical-resistant gloves. The changes are found in **Title 3 of the California Code of Regulations sections 6738.2 and 6738.3**. Visit our website at: www.sdcounty.ca.gov/awm/pesticides.html or contact your inspector to learn more about these regulations.

Save time! Save money! Over half of agricultural pest control businesses now use **CalAgPermits** to submit pesticide use reports, saving time and effort. If you are not using on-line reporting, give it a try. If you are a **dual licensed company**, be sure to report your usage under the appropriate license number; agricultural pesticides under your agricultural license number and structural pesticides including Second Generation Anti-Coagulant Rodenticides under your structural license number. Visit our website at www.sdcounty.ca.gov/awm/envreg.html or contact your inspector for more information to get started.

You play an important role in **bee protection**. If you apply pesticides which say **“toxic to bees”** on the label, we strongly encourage you to visit our website www.sdcounty.ca.gov/awm/pesticides.html or call your inspector to learn more about your important role and responsibilities in bee protection.

If you need to obtain a **RESTRICTED MATERIALS PERMIT**, please call your inspector or (858) 694-8980 for an appointment. **Permits cannot be issued without an appointment.**

Annual Registration Information

Pest Control Businesses, including Maintenance Gardener Pest Control Businesses, must **register** with the Agricultural Commissioner in all counties where they perform work each calendar year. You must register **before** you advertise, solicit, or operate as a pest control business. The registration fee is **\$75.00** for a Pest Control Business and **\$25.00** for a Maintenance Gardener Pest Control Business.
