OVERVIEW:

On October 29, 2014 (11) the Board of Supervisors (Board) directed the Chief Administrative Officer (CAO) to conduct a California Environmental Quality Act (CEQA) review and to draft the amendment to County Code Title 6, Division 2, Chapter 9 (Bee Ordinance) in accordance with the proposed three-tiered ordinance presented and to return to the Board for approval, and to accept requests to use the identified County-owned properties for beekeeping purposes. The Board also directed the CAO to return with a plan for implementation of the Bee Program, including components for education and enforcement and a definitive process for the “Opt-In” as sensitive sites for businesses with employees who work outside.

Pursuant to Board direction, the proposed amendment to the Bee Ordinance incorporates expertise and suggestions obtained from the San Diego Beekeeping Society (SDBS), commercial beekeepers, local community planning groups, industry stakeholders, external experts, and the County of San Diego’s Department of Agriculture, Weights and Measures (AWM) to require important safety measures for responsible beekeeping in an Africanized honey bee zone. The amendment proposes reduced setback distances from roads and neighboring dwellings, and defines distances from property lines and sensitive sites based on a tiered system that specifies the number of hives in the apiary. These reduced distances are mitigated by the Bee Program’s components of required beekeeper registration, robust educational outreach, required best management practices and ongoing compliance monitoring. There will be a two calendar-year timeframe for adaptive management of the program to evaluate its effectiveness, with an expected report to the Board in 2018.

This is a request for the Board to (1) adopt the CEQA Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program for the Bee Ordinance Amendment; (2) establish appropriations totaling \$345,000 for one-time program costs for software development, outreach, and equipment (\$150,000); funding for one Senior Agricultural/Standards Inspector position and additional staff time to administer the Bee Program (\$150,000); and activities related to identification and coordination of appropriate sites for beekeeping purposes and making them available for lease (\$45,000). This is also a request to provide the Director of the Department of General Services the authority to negotiate leases with the commercial beekeepers for County properties. The amendment to the County Code requires two steps. The first step will introduce the deletion of County Code Sections 62.901 through 62.915 and the addition of all new Sections

62.901 through 62.927 on September 16, 2015. If the Board takes action as requested, the second reading will occur on September 30, 2015.

FISCAL IMPACT:

Funds for this request are not included in the Fiscal Year 2015-16 Operational Plan for the Department of Agriculture, Weights and Measures. If approved, this request will result in costs and revenue of \$300,000 in Fiscal Year 2015-16 and costs and revenue of \$150,000 in Fiscal Years 2016-17 and thereafter. The Fiscal Year 2015-16 funding source is available prior year General Fund fund balance.

The Fiscal Year 2015-16 program cost of \$300,000 is for one-time costs for software development, outreach development, and equipment (\$150,000) and costs for the addition of 1.0 FTE (\$90,000) and additional staff time to administer the Bee Program (\$60,000). In Fiscal Years 2016-17 and subsequent years, estimated ongoing staffing costs would be \$150,000. The funding source will be General Purpose Revenue.

Funds for this request are not included in the Fiscal Year 2015-16 Operational Plan for the Department of General Services. If approved, the request will result in costs and revenue of \$45,000 in Fiscal Year 2015-16 for real estate efforts to coordinate County properties which could be made available for leasing to beekeepers. The Fiscal Year 2015-16 funding source is available prior year General Fund fund balance. On-going costs and revenue of the program will be dependent on the beekeepers interest in County properties.

BUSINESS IMPACT STATEMENT:

The proposed ordinance amendment will benefit beekeepers by expanding opportunities for responsible beekeeping in the unincorporated areas of San Diego county while promoting public safety. The new Bee Program will require beekeepers to register and use Best Management Practices. It will offer robust educational opportunities on proper beekeeping and include ongoing compliance monitoring to ensure public safety.

RECOMMENDATION:

CHIEF ADMINISTRATIVE OFFICER

On September 16, 2015, take the following actions:

1. Find, on the basis of the whole record, that there is no substantial evidence that the project will have a significant effect on the environment. Consider the Mitigated Negative Declaration, on file with the Department of Agriculture, Weights and Measures dated April 2, 2015, State Clearinghouse #2015041003, together with comments received during public review, and adopt it, finding that it reflects the independent judgment and analysis of the Board of Supervisors.
2. Adopt the Mitigation Monitoring and Reporting Program prepared in accordance with Public Resources Code section 21081.6, and authorize the Agricultural Commissioner to ensure compliance with the Mitigation Monitoring and Reporting Program.

3. Read the Title, waive further reading, and introduce an Ordinance for further consideration and adoption on September 30, 2015:

AN ORDINANCE AMENDING THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES, RELATING TO BEES AND DELETING SECTIONS 62.901-62.915 OF CHAPTER 9, DIVISION 2 OF TITLE 6 OF THE SAN DIEGO COUNTY CODE AND ADDING ALL NEW SECTIONS 62.901-62.927 OF REGULATORY ORDINANCES RELATING TO BEES AND APIARIES.

If on September 16, 2015, the Board of Supervisors takes action as requested in Recommendations 1, 2 and 3, then on September 30, 2015:

1. Consider and adopt the Ordinance amending Title 6, Division 2, Chapter 9, of the County Code of Regulatory Ordinances to amend the County Code regarding Bees and Apiaries (Second Reading).
2. Establish appropriations of \$300,000 in the Department of Agriculture, Weights and Measures, Salaries and Benefits (\$150,000) and Services and Supplies (\$150,000) for staffing and one-time program costs based on available prior year General Fund fund balance. **(4 VOTES)**
3. Approve the request to add one (1.0) staff year to support the Department of Agriculture, Weights and Measures and direct the Department of Human Resources to classify the position at the appropriate level.
4. Amend the Fiscal Year 2015-16 Facilities Management Internal Service Fund (ISF) Spending Plan by cancelling appropriations of \$45,000 and related revenue to realign the funding source related to the coordination efforts to lease available County properties to beekeepers.
5. Establish appropriations of \$45,000 in the General Fund Contributions to Facilities Management Internal Service Fund (ISF), Operating Transfer Out, for staff time to coordinate leasing activities of available County properties to beekeepers, based on available prior year General Fund fund balance. **(4 VOTES)**
6. Amend the Fiscal Year 2015-16 Department of General Services Facilities Management ISF Spending Plan by \$45,000 to provide funding for staff time to coordinate leasing activities of available County properties to beekeepers, based on an Operating Transfer from the General Fund. **(4 VOTES)**
7. Direct the Director, Department of General Services to negotiate leases with the commercial beekeepers for County properties.
8. Direct the Chief Administrative Officer to report to the Board in 2018 with a status report on the Bee Program, any recommendations for improvements, and a request for additional funding if needed, after the amended Bee Ordinance has been in effect for two calendar years.

ACTION:

Noting for the record that an errata sheet has been submitted revising Attachment G, ON MOTION of Supervisor Jacob, seconded by Supervisor Cox, the Board directed the Chief Administrative Officer to continue efforts to look at County property and ways to reduce costs; closed the Hearing and took action as recommended, introducing the Ordinance for further Board consideration and adoption on September 30, 2015.

AYES: Cox, Jacob, D. Roberts, R. Roberts, Horn

2. **SUBJECT: NOTICED PUBLIC HEARING:
SAN LUIS REY RIVER PARK – ACQUISITION OF 60.31
ACRES FOR INCLUSION IN THE RIVER PARK (SAN LUIS
REY DOWNS ENTERPRISES, LLC) (7/22/2015 – SET
HEARING; 9/16/2015 – HOLD HEARING) (DISTRICT: 5)**

OVERVIEW:

On July 22, 2015 (7), the Board of Supervisors set a Hearing for September 16, 2015.

The County has identified approximately 60.31 acres in the Bonsall area available for acquisition to add to the planned San Luis Rey River Park. The property is located north of Camino del Rey and east of State Route 76 (57th Edition Thomas Guide page 1068, A-1) within the approved San Luis Rey River Park Master Plan core study area. As planned, the park as a whole will help preserve the sensitive habitat along the river and offer both active and passive recreational opportunities, including non-motorized, multi-use trails and sports fields. The 60.31-acre property and an adjacent 1.61-acre property under separate ownership will be considered for future, as yet unplanned, recreational facilities. Pursuant to Government Code Section 25350.60 and County Administrative Code Section 73, the acquisition of the 1.61-acre parcel will be completed administratively as its assessed value is expected to be less than \$250,000.

Today's request requires two steps. On July 22, 2015, it is requested that the Board set a hearing for September 16, 2015, and provide public notice of the hearing. If the Board takes the actions recommended for July 22, 2015, then on September 16, 2015 after making the necessary findings, the Board is requested to approve the purchase of Assessor's Parcel Numbers 126-230-14, -67 and 126-060-43 from San Luis Rey Downs Enterprises, LLC at the appraised value of \$3,166,275.

FISCAL IMPACT:

Funds for this request are partially included in Fiscal Year 2015-16 CAO Approved Operational Plan for the Capital Outlay Fund. If approved, this request will result in costs of \$3,423,575 for Capital Project 1007108, San Luis Rey River Park Acquisition itemized as follows: \$3,166,275 for 60.31-acre property acquisition; \$53,800 for staff, appraisal and ancillary costs to complete the transaction; \$3,500 for closing and title costs; and \$200,000 for the purchase of 1.61 acres (including the property acquisition, staff, appraisal, ancillary, closing,

and title costs). The establishment of appropriations for the future administrative purchase of 1.61 acres is being requested through today's Board action. The funding sources are existing General Fund (\$3,100,579.19), an Operating Transfer In from the General Fund in the Capital Outlay Fund (\$210,000) and unanticipated revenue from the Parks and Recreation trust fund based on funds from State Route 76, Caltrans widening project (\$112,995.81), associated Board action June 29, 2011 (05).

If approved, this request will also result in costs of \$181,000 for Capital Project 1019796, San Luis Rey Land Improvements. The one-time land protection costs of \$181,000 include vegetation management and installation of or rehabilitation of existing fencing, gates, signage, lighting, and removal of a structure on site due to unsafe conditions. The funding source is unanticipated revenue from the Parks and Recreation trust fund based on funds from State Route 76, Caltrans widening project (\$181,000).

Funds for this request are not included in Fiscal Year 2015-16 CAO Approved Operational Plan for the Department of Parks and Recreation. If approved, this request will also result in costs and revenue of \$69,000 for maintenance of the existing water well, septic system, and a building on the property. The funding source is unanticipated revenue from the Parks and Recreation trust fund based on funds from State Route 76, Caltrans widening project (\$69,000).

In Fiscal Year 2017-18, it is anticipated that the total annual management costs for the San Luis Rey River Park will be \$135,000. In addition, there will be an estimated annual cost of \$2,139 for fixed charge assessment including vector control and water standby charges. The funding source will be General Purpose Revenue and will be provided for in future Operational Plans.

There will be no change in current year net General Fund cost and no additional staff years.

On June 25, 2008 (9), the Board of Supervisors (Board) adopted a resolution forming Community Facilities District No. 2008-01 (Harmony Grove Village), County of San Diego, State of California (CFD No. 08-01 or District), an approximately 470-acre community development located west of the City of Escondido where Harmony Grove Road meets Country Club Drive in the unincorporated community of Elfin Forest. Harmony Grove Village is being developed by Standard Pacific Corporation (Developer) with two improvement areas composed of 736 residential units and 20,000 square feet of non-residential floor area, an equestrian center, trails and parks, and a town square.

The Board authorized the levy of special taxes related to Harmony Grove Village on January 7, 2015(7). The special taxes levied will fund bonding for the construction and acquisition of public facilities (Acquisition of Facilities or Special Tax A) and ongoing maintenance and operation services for public facilities related to Harmony Grove Village (Funds for Services or Special Tax B). Acquisition of Facilities by the County will be funded for each of the two separate phases of development. Funds for Services are needed for the County and Flood Control District. Rincon and the Sanitation District have independent authority to establish and collect fees for service. The Sanitation District has already established fees for service in Harmony Grove. Maintaining separate funds for Facilities acquisition by the County for each phase of development and for funding Services by the County and Flood Control District will improve controls and transparency and streamline accounting procedures for CFD No. 08-01.

The imposition of special taxes for Harmony Grove Village was approved by landowner vote on July 23, 2008. Special taxes collected from property owners within CFD No. 08-01 will help fund public facilities (Facilities) to be acquired and / or operated by the County of San Diego (County), Rincon del Diablo Water District (Rincon), San Diego County Flood Control District (Flood Control District) and the San Diego County Sanitation District (Sanitation District), and certain public services (Services) to be provided by the County and Flood Control District. The Facilities to be acquired and/or operated are: by the Sanitation District, a sewage treatment plant and pump station; by Rincon, various water infrastructure improvements; by the Flood Control District, maintenance of storm drain structures; and by the County, various street improvements, public parks/recreation facilities/open space and fire protection, streetlighting and

emergency response facilities and services.

Today's recommendation is for the Board to approve the establishment of funds and appropriations from County Facilities and Services tax levies associated with CFD No. 08-01 now that homes are being sold and revenue is anticipated. Acting as the Board of Directors for the Flood Control District, today's request also proposes the establishment of an operating fund and appropriations for flood control Services for CFD No. 08-01.

FISCAL IMPACT:

Funds for this request are not included in the Fiscal Year 2015-16 Operational Plan. If approved, this request will establish two new interest bearing agency funds: Harmony Grove CFD No. 08-01 IA 1 – Special Tax A Fund and Harmony Grove CFD No. 08-01 IA 2 – Special Tax A Fund based on tax levies collected within the Harmony Grove District. Agency funds have only receipts and disbursements, and do not require a budget be established.

If approved, this request will also establish two operational funds: Flood Control – Harmony Grove Fund and Other Services – Harmony Grove Fund. Current year costs and revenues for the Flood Control – Harmony Grove Fund will be \$4,725 and for the Other Services – Harmony Grove Fund will be \$47,779. The funding source for both funds is levies collected from Special Tax B of \$52,504.

There will be no change in net General Fund cost and no additional staff years.

8. SUBJECT: AUTHORIZATION TO ADVERTISE AND AWARD A CONSTRUCTION CONTRACT FOR THE STEELE CANYON ARTIFICIAL TURF PROJECT (DISTRICT: 2)

OVERVIEW:

Steele Canyon Park is an 8.3-acre County park located in Rancho San Diego that offers tennis and basketball courts, a playground, a shaded picnic area, and a multi-purpose sports field (2010 Thomas Guide page 1272, C-6). The multi-purpose sports field currently consists of natural turf that is irrigated. To reduce its water consumption and provide greater service to the community, the Department of Parks and Recreation continues to convert natural turf to synthetic turf at multiple sites within the park system. The sports field at Steele Canyon Park has been identified as a priority for conversion based on water usage and water costs. Synthetic turf only uses water for cooling, not irrigation, and uses approximately 90% less water than natural turf. Synthetic turf areas do not require annual reseeding and are open to the public for recreation more days per year than a natural turf field.

The requested action will authorize the Director, Department of Purchasing and Contracting to advertise and award a construction contract for \$1,400,000 including contingency for Steele Canyon Artificial Turf project. Remaining project funds of \$140,000 will be used for related project costs including design, inspection, construction management, and project administration for a total project cost of \$1,540,000. If approved, project design would begin in fall 2015 with construction completion anticipated in spring 2016.

FISCAL IMPACT:

Funds for the Steele Canyon Artificial Turf project are included in the Fiscal Year 2015-16 Operational Plan for the Capital Outlay Fund. If approved, this request will result in costs of \$1,540,000 for Capital Project 1019562, Steele Canyon Artificial Turf project. Construction costs are estimated at \$1,400,000 including contingency. Remaining project funds of \$140,000 will be used for related project costs including design, inspection, construction management, and project administration for a total project cost of \$1,540,000. The funding source is prior year available General Fund fund balance.

Upon project completion, annual operations and maintenance of improvements will be provided by existing Department of Parks and Recreation staff. There will be no change in current year net General Fund cost and no additional staff years.

BUSINESS IMPACT STATEMENT:

**RECOMMENDATION:
CHIEF ADMINISTRATIVE OFFICER**

1. Find that the Steele Canyon Artificial Turf project is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15301 and 15304 because the project involves the maintenance of existing landscaping and involves a negligible expansion of an existing use of the park.
2. Authorize the Director, Department of Purchasing and Contracting, to advertise and award a construction contract and take any other action authorized by Section 401 et seq. of the Administrative Code with respect to contracting, for the construction of the Steele Canyon Artificial Turf project.

ACTION:

ON MOTION of Supervisor Jacob, seconded by Supervisor Cox, the Board took action as recommended, on Consent.

AYES: Cox, D. Roberts, R. Roberts, Horn

9. **SUBJECT: ADOPT A RESOLUTION TO APPLY FOR AND ACCEPT GRANT FUNDS FROM HABITAT CONSERVATION FUND FOR IRON MOUNTAIN CONNECTION (DISTRICT: 2)**

OVERVIEW:

Iron Mountain is located in the City of Poway and has become one of the more popular hiking spots in San Diego County (57th Edition Thomas Guide page 1171, F-7). On April 8, 2015 (2), the Board adopted a resolution declaring a partnership between the County of San Diego and the City of Poway to jointly pursue funding sources to potentially purchase additional open space lands in the Iron Mountain area. The County and City learned that property near the County's Boulder Oaks Preserve and adjacent to open space owned by the City of Poway may be available for acquisition which could connect existing preserve areas. The Department of Parks and Recreation (DPR) has identified a potential funding source for the possible acquisition of the property.

The Habitat Conservation Fund (HCF) provides grant funds to local government agencies for land acquisition for the protection of plant and animal species and to develop wildlife corridors and trails. The HCF grant is competitive and requires a dollar-for-dollar funding match. A project specific resolution from the governing body must be included with the grant application.

This is a request to adopt a resolution authorizing DPR to apply for and accept up to \$200,000 of HCF grants to fund the acquisition of approximately 160 acres to provide a connection to Iron Mountain. This request is also to authorize the Director, Department of Parks and Recreation, to conduct all negotiations and to execute and submit all documents that may be necessary to apply for and accept these grants. If grant funds are awarded, DPR will return to the Board for authorization to appropriate funds as necessary.

FISCAL IMPACT:

There is no fiscal impact associated with today's actions. If approved, the Department of Parks and Recreation (DPR) will submit a grant application to the Habitat Conservation Fund (HCF) for up to \$200,000 for the Iron Mountain Connection land acquisition.

The HCF grant is competitive; therefore, it is unknown if grant funding will be awarded or the amount of the award. The HCF grant program requires a dollar-for-dollar funding match. If approved and a grant is awarded, matching funds are proposed to be provided by the Multiple Species Conservation Program Acquisitions Fund for the Iron Mountain Connection land acquisition. If approved and grant funds are awarded, DPR will return to the Board to appropriate funds as necessary. There will be no change in net General Fund cost and no additional staff years.

BUSINESS IMPACT STATEMENT:

RECOMMENDATION:

CHIEF ADMINISTRATIVE OFFICER

1. Find that the proposed Iron Mountain Connection land acquisition is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15325, as it involves the transfer of ownership of land to preserve open space.
2. Adopt the Resolution entitled:
RESOLUTION OF THE SAN DIEGO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE APPLICATION AND ACCEPTANCE OF GRANT FUNDS FROM THE HABITAT CONSERVATION FUND (HCF) PROGRAM FOR THE IRON MOUNTAIN CONNECTION LAND ACQUISITION.
3. Authorize the Director, Department of Parks and Recreation, or designee, as agent of the County, to conduct all negotiations and submit all documents including, but not limited to, applications, contracts, payment requests and, if funds are awarded, to execute the grant agreement, including any extensions or amendments thereof that do not materially impact or alter the grant programs or funding levels.

ACTION:

ON MOTION of Supervisor Jacob, seconded by Supervisor Cox, the Board took action as recommended, on Consent, adopting Resolution No. 15-124, entitled: RESOLUTION OF THE SAN DIEGO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE APPLICATION AND ACCEPTANCE OF GRANT FUNDS FROM THE HABITAT CONSERVATION FUND (HCF) PROGRAM FOR THE IRON MOUNTAIN CONNECTION LAND ACQUISITION.

CHIEF ADMINISTRATIVE OFFICER

- 1. Find that the proposed project is exempt from the California Environmental Quality Act (CEQA) as specified under Section 15301 of the CEQA Guidelines because the proposed action involves minor alteration of existing public facilities relating to regulatory traffic control issues on County-maintained roads, resulting in negligible or no expansion of use beyond that existing at the time of the Board action.
