SAN DIEGO COUNTY BOARD OF SUPERVISORS

2016 JAN 28 PM 4:27
CLERK OF THE BOARD
OF SUPERVISORS

AGENDA ITEM

DATE: February 2, 2016
TO: Board of Supervisors
SUBJECT: ALLOCATION OF NEIGHBORHOOD REINVESTMENT FUNDS
(DISTRICT: 4)

Overview

The County's fiscal condition has enabled it to reinvest taxpayer money in our communities for the benefit of the public. The recommended action proposes to allocate funds to the San Diego Association of Governments to assist with the costs of funding a symposium from the County of San Diego's Neighborhood Reinvestment Project Funds.

Recommendation(s)

SUPERVISOR RON ROBERTS

1. Allocate \$17,000 from the Neighborhood Reinvestment Program Budget (org 15665) to the San Diego Association of Governments (SANDAG) to provide funding for a symposium to address planning efforts in transportation, housing, education and more in San Diego County.
2. Authorize the Deputy Chief Administrative Officer/Auditor Controller to execute a grant agreement with SANDAG establishing terms for receipt of the funds described above and to make minor amendments to the agreement that are consistent with the general purpose of the grant but do not increase the grant
3. Find that the allocation is in the public interest.

Fiscal Impact

The fiscal impact of these recommendations is \$17,000 for Neighborhood Reinvestment. Funds for this request are partially included in the Fiscal Year 2015-2016 Operation Plan for the Neighborhood Reinvestment Program (15665). The funding source is General Fund fund balance. There will be no change in net General Fund costs and no additional staff years.

Background

San Diego Association of Governments

The San Diego Association of Governments (SANDAG) is a public agency that serves as the regional transportation authority in the County of San Diego. SANDAG builds consensus; makes strategic plans; obtains and allocates resources; plans, engineers, and builds public transportation; and provides information on a broad range of topics pertinent to the region's quality of life. Today's allocation to SANDAG will provide funding to allow an internationally respected demographer to attend a symposium sponsored by SANDAG and provide information about future trends in San Diego County. The symposium will be attended by public officials and members of the public. The insight provided by the demographer at the symposium will help planning efforts in transportation, housing, education and more.

Linkage to the County of San Diego Strategic Plan

The Neighborhood Reinvestment Program supports safe communities, encourages sustainable environments, and promotes healthy families through grants to non-profit organizations, government agencies, and County departments.

Respectfully submitted,
