

COUNTY OF SAN DIEGO

2016 JAN 28 PM 4: 27

CLERK OF THE BOARD
OF SUPERVISORS

RON ROBERTS
CHAIRMAN
SUPERVISOR, FOURTH DISTRICT
SAN DIEGO COUNTY BOARD OF SUPERVISORS

AGENDA ITEM

DATE: February 3, 2016

TO: Board of Supervisors

SUBJECT: IMPLEMENTING SAN DIEGO FORWARD: THE REGIONAL PLAN
(DISTRICTS: ALL)

Overview

The San Diego Association of Governments (SANDAG) is the region's primary public planning, transportation and research agency. The SANDAG Board consists of elected officials and representatives from each of the County's 19 local jurisdictions. A regional government agency, SANDAG serves as a forum for decision-making; builds consensus; makes strategic plans; obtains and allocates resources; plans, engineers and builds public transportation; and provides information on a broad range of topics pertinent to the region's quality of life.

SANDAG also administers *TransNet*, the voter-approved half-cent sales tax for transportation. This program has supported completion of more than 650 highway, transit, bike and pedestrian, habitat conservation, local street repair, and grant projects and programs that have kept San Diego moving forward over the last 25 years.

In October 2015, the SANDAG Board of Directors approved San Diego Forward: The Regional Plan after three years of extensive public engagement. The Regional Plan proposes a strategy for a more sustainable future that includes investing in a transportation network designed to provide residents with more travel choices, protect the environment, create healthy communities, and stimulate economic growth.

SANDAG is considering a ballot measure that would raise funds to help implement the Plan, and possibly support other needed infrastructure throughout the region. If the SANDAG Board decides to place a measure on the ballot, it would ask voters in San Diego County to increase our local sales tax by up to one-half cent.

SANDAG is updating each of the individual jurisdictions on the progress of San Diego Forward: The Regional Plan. They are here today to highlight projects planned in the County of San Diego, describe what might be included in an expenditure plan for a ballot measure, and what steps are being taken to engage the public.

Background

San Diego Association of Governments (SANDAG) is the region's primary public planning, transportation, and research agency. The SANDAG Board is comprised of elected officials and representatives from each of the County's 19 local jurisdictions. A regional government agency, SANDAG serves as a forum for decision-making; builds consensus; makes strategic plans; obtains and allocates resources; plans, engineers and builds public transportation; and provides information on a broad range of topics pertinent to the region's quality of life.

SANDAG also administers *TransNet*, the voter-approved half-cent sales tax for transportation. This program has supported completion of more than 650 highway, transit, bike and pedestrian, habitat conservation, local street repair, and grant projects and programs that have kept San Diego moving forward over the last 25 years.

In October 2015, the SANDAG Board of Directors approved San Diego Forward: The Regional Plan after three years of extensive public engagement. The Regional Plan proposes a strategy for a more sustainable future which includes investing in a transportation network that will provide residents with more travel choices, protect the environment, create healthy communities and stimulate economic growth.

SANDAG is currently considering a ballot measure that would raise funds to help implement the Plan, and possibly support other needed infrastructure throughout the region. If the SANDAG Board decides to place a measure on the ballot, it would ask voters in San Diego County to increase our local sales tax by up to one-half cent.

SANDAG is updating each of the individual jurisdictions on their implementation of San Diego Forward: The Regional Plan. They are here today to highlight projects planned in the County of San Diego, describe what might be included in an expenditure plan for a ballot measure, and what steps are being taken to engage the public.
