Parenting Time Orders Reach Milestone

The Parenting Time Opportunities for Children program started in November 2013 was developed to help our customers get custody and visitation orders along with a child support order.

To date, we have helped 124 families get custody and visitation orders in place at no cost! Having a custody and visitation order helps create a regular visitation schedule your children can depend on and promotes consistency for your children.

Contact us today to see if you qualify for the Parenting Time Opportunities for Children program.

DCSS Launches New Website

The Department of Child Support Services website has been re-designed! The new DCSS website has a more streamlined approach dedicated to putting important information right at your fingertips. This is another way we are working to put San Diego families first. Check out the new site...

Affordable Co-Parenting Workshops

Kids' Turn San Diego is now offering \$50 co-parenting workshops. Raising children in two homes can be challenging. The "Parenting Time" class is a three-hour class. You will learn how to help your children transition from one home to the other and discover tools to help your changing family. Sign up today at www.kidsturnsd.org

Change of Court Days in Vista

Beginning Tuesday, January 6, 2015, the Superior Court in Vista will change the court days from Wednesdays and Thursdays to Tuesdays and Wednesdays. When reviewing or filing documents for 2015 court dates, please be sure to account for this change as court will no longer be open Thursdays.
