

Mosquito Treatment Area: Boundary of area to be treated with adult mosquito control product

The affected area is bordered by San Miguel Avenue to the north, Corona Street to the west, and homes on the east side of Sheri Lane to the east. It includes homes on Tweed Street as well as homes at the end of Davidson Avenue and New Jersey Avenue before it intersects Brunei Court to the south.

For more information on mosquito prevention and control, contact the County of San Diego Vector Control Program at (858)-694-2888 or visit the program website at www.SDVector.com.
