Please be advised that the County of San Diego Department of Environmental Health Solid Waste Local Enforcement Agency received and accepted a registration application for continued operation of a chip and grind operation for Inland Pacific Resource Recovery. The LEA is certified by California Department of Resource Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste facilities within the County of San Diego.

Description of Proposed Changes: The operator has submitted a registration application as a result of changes to facility operations identified during a five year permit review.

LEA Findings per §21665(c): The County of San Diego Solid Waste Local Enforcement Agency finds the proposed changes consistent with State Minimum Standards; the proposed changes do

require submission of a registration application and issuance of a registration permit for the existing operation.

Where can a copy of the permit application be reviewed?

A copy of the permit application is available for review by appointment at the Department of Environmental Health office located at 5500 Overland Drive, Suite 110, San Diego, CA 92123.
