RE: GREGORY CANYON LANDFILL CHANGE OF OWNER / OPERATOR

Dear Mr. Mikles:

On December 3, 2015, the County of San Diego Solid Waste Local Enforcement Agency (LEA) received notification of an owner / operator change for the Gregory Canyon Landfill from Gregory Canyon Limited to GCL, LLC. The notification and supporting information was submitted to the LEA and CalRecycle. CalRecycle reviewed the financial assurance documents (Trust Agreement and Certificate of Liability Insurance) and determined that the financial assurance demonstrations for operating liability, closure and postclosure maintenance, and corrective action costs meet the requirements of California Code of Regulations, Title 27 (27CCR), Division 2, Chapter 6, Subchapter 3 (27CCR 22225 and following) "Allowable Mechanisms" on December 7, 2015. This established that these submissions also satisfy the financial assurance requirements of Subchapter 2 (27CCR 22205) and of sections 43040 and 43600 of the Public Resources Code. The LEA has also reviewed the updated Joint Technical Document (JTD) dated October 2015 and determined it meets 27CCR 21630(b)(3) for the change of owner / operator.

Pursuant to 27CCR Section 21670 all required documents have been reviewed and the Solid Waste Facility Permit (SWFP) has been changed to reflect the changes in name and contact information of the owner and operator.

Enclosed is the new permit cover page. Please add this this new permit cover page on top of the existing SWFP.

If you have any questions, please contact Jim Henderson, Environmental Health Specialist III, at (858) 694-3607.

Sincerely,

REBECCA LAFRENIERE, Deputy Director
Department of Environmental Health
Local Enforcement Agency
