

San Diego Water Board Fall Forum 2013 Regulatory Update

Presented By:

**Susan Pease
Environmental Scientist
Cleanup and Land Discharge Unit
San Diego Water Board**

San Diego Water Board Staff Changes

- ◆ Sue Pease transferred to Northern Cleanup Unit with Brian Kelley
- ◆ Sean McClain, Melissa Valdovinos and Vicente Rodriguez in Central Cleanup unit with Craig Carlisle

UST Cases Transferred to the San Diego Water Board

- ◆ Effective July 1, 2013, 50 LUST cases formerly managed by San Diego County DEH were transferred to the San Diego Water Board.
- ◆ Geotracker has lead agency and contact person

General Waste Discharge Requirements

- ◆ **General WDR for in-situ groundwater remediation projects Order No. R9-2008-0081**
 - Applies to all cleanup projects where chemical amendments are injected directly to groundwater, and any other subsurface application of a chemical amendment
 - Three classes of amendments: oxidizing, reducing, and multiple amendments
 - DEH Low Risk Closure Evaluation, Fees, and ROWD

◆ **Please contact Mr. Vicente Rodriguez**

vrodriquez@waterboards.ca.gov

619-521-3966 (effective 9/30/2013)

General Waste Discharge Requirements

- ◆ General WDR for discharges of treated groundwater from VOC cleanup sites to land Order No. R9-20508-0138
 - Discharge of treated groundwater from VOC cleanup sites to land by direct injection through a well, or by rapid percolation or infiltration through soil
 - The extracted groundwater must be from the same aquifer as the receiving groundwater
 - DEH Low Risk Closure Evaluation, Fees, and ROWD

◆ Please contact Ms. Carol Tamaki

ctamaki@waterboards.ca.gov

619-521-8050 (effective 9/30/2013)

General Waste Discharge Requirements

- ◆ General WDR for discharges of Fuel Contaminated Soil to land Order No. R9-2002-0342
 - Discharge of fuel contaminated soil wastes to land
 - Petroleum concentrations must meet criteria or soil wastes must pass leachability test
 - Final inspection report on placement of soil in project
 - Fees and ROWD
- ◆ Please contact Mr. Roger Mitchell
rmitchell@waterboards.ca.gov
619-521-5898 (effective 9/30/2013)

Conditional Waivers

- ◆ **Conditional waiver 8 – Discharges of wastes to land**
 - Discharges of soils containing wastes to temporary waste piles
 - Discharges/disposal/reuse of soils characterized as inert from known contaminated sites
 - Application for coverage/enrollment
 - State Water Board waiver fee schedule applies in 2013-14
- ◆ **Please contact Mr. Roger Mitchell**
