REQUEST FOR AGENCY DETERMINATION FOR GEOTECHNICAL BORING PERMIT WAIVER

1. Site Location. Indicate the address where borings are proposed. Include any other information (i.e. DEH Permit #) to identify the site.
2. Indicate the Assessor's Parcel Number of the site.
3. Indicate the estimated depth to groundwater.
4. Indicate how the property is zoned (residential, commercial, etc.)
5. Include a map, *to scale*, indicating the location of the proposed drilling.
6. Please provide a brief description of your project (use separate sheet if necessary), including:
 - a. purpose for and approximate depth and diameter of the proposed borings
 - b. proposed backfill method(s) and materials.

I hereby certify, to the best of my knowledge, that the site of proposed drilling has never stored or used, is not now using or storing or planning to use or store substances that could lower the quality of the groundwater beneath the site. Additionally, based on a site visit, I did not observe any gasoline stations or other businesses within 1,000 feet of the site that may use hazardous materials. I understand that a permit will be required if these businesses are nearby.
