Re: Authorization for Lanwest Solar Farm LLC Development

Dear Mr. Whalen:

This letter is to authorize J. Whalen Associates, Inc. to pursue the interests of LanWest Solar Farm LLC and of LanEast Solar Farm LLC with the County of San Diego regarding the major use permit (MUP) applications for these two Concentrating Photovoltaic projects proposed in Boulevard, CA on land included in assessor's parcel numbers 6120911300, 6120301800, 6130302800, and 6130303500.

It is my understanding you will assist in the County approval process for an MUP for our projects, including setting up and attending meetings with the County, coordinating the activities of other consultants and providing general feedback regarding the property.

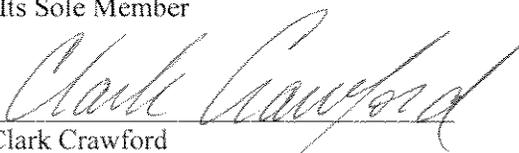

We authorize you to proceed with consultation meetings and subsequent activities with regard to these projects.

Sincerely,

LanEast Solar Farm LLC
