Subject: P12-007 Rugged Solar - Geology Report Accepted
Date: Thursday, June 21, 2012 1:40:43 PM

Hi Larry,

The Geology Report is accepted. I will make initial study findings and there will be one condition for liquefaction that they provide future geotechnical evaluation of areas along Tule Creek. I will include that along with initial study responses. I have a due date of July 2nd and will provide them hopefully be the due date. This should provide you the information you need for your letter.

Thanks,

Jim
