Good Morning Trey,

I am available for a meeting both days:

For the 30th, I'm available between 10 and 12 p.m., or 3 to 4 p.m.

For the 31st, I'm available between 9 and 12 p.m., or 1 to 3 p.m.

Please advise as to who you would like to bring to the meeting and a time that works for you. I will need to confirm the date/time with Larry Hofreiter who will also attend (his schedule currently shows him open during the times I presented).

Thanks,

Jim Bennett, P.G. #7707, CHG#854

Jim,

As per the comments we received from the County, are you available to meet on October 30th or 31st to go over logistics for Rugged Solar Farm Groundwater Resources Investigation?

Update for Tierra del Sol Solar Farm:
We completed 12 hour step test and will perform constant rate test at 60 GPM next week.

Cheers,
Trey
