Mark,

I think we should ask Pat Brown to provide us with Title Reports on MS Word format, with links to the Schedule B Attachments, or provide us with a hard copy of the Title Reports with all of the Schedule B Attachments. The PDF files that get imported into Documentum are not useful because they lose the links when they get scanned.

Rugged (MUP 12-007) has a title report in Documentum (PDF with no links).

LanWest (MUP 12-002) has a title report in Documentum (PDF with no links)

Tierra del Sol (MUP 12-010) does not have a title report in Documentum. Susan worked on both LanWest and Tierra Del Sol.

Hope this helps,

Thanks, Mark
