Thanks Poonam. One quick question on Rugged..on comment 10-45, did they address the additional comment from 8/28/12? I'll sign it off with a date if they did.

Hi Ashley,

Here are the updated checklists. I also had a minor editorial change to the Tierra Del Sol Study. Tierra Del Sol AQ Study can be accepted as complete while there are a couple of outstanding comments on Rugged.

Let me know if you have questions.

Thanks,
-Poonam

Hi Poonam,

I would prefer a project issue checklist if possible.

Thanks,

Ashley

Hi Ashley,

Yes I did complete my review. I meant to ask you on Friday but didn't get a chance to see you in the office - are you OK with having the comments in the word documents or do you want them in the project issue checklist or both?

Thanks,

-Poonam

Hi Poonam,

I looked in Accela this morning and it looks like you have completed your review of the AQ studies for Tierra Del Sol (3600-12-005) and Rugged (3300-12-007). Can you please send me your comments?

Thanks,

Ashley
