Fire Protection Plan—Conditionally Accepted

We have reviewed the revised Fire Protection Plan prepared by DUDEK, dated April, 2013. Please accept the following comments:

- Pages 20 & 21: When discussing the Project will enter into a Fire Service Agreement with the SDCFA, stipulate that the agreement will be per the Project Design Feature PS-1 of the Soitec Solar Development Program EIR.
- Page 20: When discussing adequate emergency access, please also include the 20 foot wide perimeter access roads.
- Page 29, paragraph 3: The new co-location of the Boulevard and CAL FIRE fire stations will be near the existing *Boulevard* fire station.

The FPP will be considered accepted by this department once these revisions have been made.

Please call or email me if you have any questions or need clarification – (858) 495-5434 or James.Pine@sdcounty.ca.gov.

Best Regards,

James Pine, Fire Marshal
