Mindy – I am forwarding the contact information for Mr. Tibbetts, who spoke at the BOS hearing last week on CREP. Darren would like to have Ashley reach out to him as he expressed a lot of concern with the Soitec project at the hearing.

If you would like to fast forward to his testimony in the hearing video, he is the first speaker in the opposition group which follows Jason Anderson from CleanTECH

Let me know if you need any other background information.

Thanks

Elizabeth – I wanted to ask for your assistance on an item that went before the Board last Wednesday. Could you provide me with the contact information (speaker slip) for Theodore Tibbett, who was the first speaker in opposition to item one(Comprehensive Renewable Energy Plan)?

Thank You
