Subject: Soitek; Cultural Review Complete; Revisions Required

Megan –

The cultural review is complete. Revisions are required for all of the studies and the EIR. I am attaching the pages that need revision from the tech studies. The file sizes are too large to send the complete document. Also I am attaching a strikeout/underline version of chapter 2.4 Cultural Resources. Please accept the changes and the documents are considered final. If the date of the studies change, the NADB page must also be updated. Please do not make any formatting or numbering changes to the documents.

Thanks,

Donna Beddow
