Rob,
The Rugged's drainage study looks good.
3 SWMPs look good except TDS' first page. See attached.

Thanks
Susan

Hi Ashley,
Do I have to review LanWest's drainage study and SWMP?

EIR talks about LanWest and LanEast, however, LanEast never been submitted to us for review. What should I do with LanWest & LanEast Sections?

Thanks
Susan

LanWest was withdrawn - Please see Ashley or Donna for more guidance as to what to review as I am not in the office today.

Rob,
I though Lanwest has been withdrawn?
A drainage study has been done for this site and of course it has not been approved yet.
