Bets,

We need to have the plot plans and grading plans for the Tierra Del Sol and Rugged projects made available on the EIR public review webpage as soon as possible. These appear to have been overlooked.

I've placed four files in the S:\PUBLIC REVIEW\2014\01-02-2014\SOITEC EIR\Webwork\Public Review Draft EIR folder named Rugged_Civil_Grading.pdf, Rugged_D-size_PlotPlans.pdf, TdS_Civil_Grading.pdf, and TDS_D-size_PlotPlans.pdf.

Please create links to these files and place them on the public review webpage under the links to the aerial photos. You may need to break up the plot plans for the Rugged and Tierra Del Sol sites as these files are over 19 and 13 megabytes, respectively.

Please let me know if you have any questions.

Thanks,

Robert Hingtgen, Planner III
