Subject: Request for DPW @ Feb 6 Soitec mtg

Hello Robert,

I would like to request that DPW have a representative present at the February 6th Boulevard Planning Group meeting to answer questions related to impacts from the proposed four Soitec Solar projects, and Los Robles alternative, to the following sole access public roads and private roads that residents rely on:

- Ribbonwood Road
- McCain Valley Road
- Tierra Del Sol Road
- Jewel Valley Road
- Tule Jim Road (Los Robles) (private)

There are also questions and concerns related to the proposed Rough Acres Ranch Road (PDS2011-2700-15622).

Thank you,

Donna Tisdale, Chair
