Hi Donna,

Yesterday was very valuable to us. We need to be aware of all the pros and cons related to projects or we cannot effectively serve the public. Thank you again for spending the day with us and helping us to make contact with so many concerned families that we probably would not have had the opportunity to meet and talk with otherwise. It meant a lot to us :)

Just wanted to thank you all for taking the time to come out to the Boulevard Planning Group meeting and for patiently listening to the concerns raised and answering questions, and for meeting with neighbors earlier.

With appreciation,

Donna
