Subject: RE: Status of proposed Soitec Solar Project at Tierra del Sol, Boulevard

Mr. Bloom,

As you know, the public review period ended on March 3, 2014. The applicant's consultant has been organizing the comment letters, numbering the comments, and developing a first draft of responses to those comments. Responses to Comments documentation is expected to be submitted to County staff for review by the end of April.

Thank you,

Hi Robert,

Do you know yet the status of the proposed Soitec Solar Project on Tierra del Sol, Boulevard?
We are specifically concerned about our homes at 880 and 686 Tierra del Sol.
Thank you for any brief update you can provide.
