Hi Donna,

We have not been able to fully review it yet. Once we do, we plan to send it back to Dudek with our comments and revisions. After that, our County Counsel will be reviewing it along with the draft final EIR. Only after Counsel's changes are incorporated would we be able to release it again for public review. We estimate having about six weeks of time between the time it is finalized and the PC hearing. Hope that helps!

Subject: Dudek's updated Soitec info?

Hi Jim,

Can you forward Dudek's updated groundwater use information for the Soitec Solar DPEIR?

If not, when will the public have access to that new information for project components they previously failed to address? We need time to review and comment on it.

Thanks

Donna
