Tom is reviewing the Franchise Agreement. I believe the trust account ID is 12-D-12-0185507 and the project record ID is PDS2012-3910-120005.

Yvette,

We sometimes need PDS' help on things like this. David Sibbet should be able to help with the Valliano matter. The TDS solar relates to the proposal from Soitek (sp?) to seek a franchise agreement for a gen-tie line. Maybe Ed Sinsay can help. Can you ask PDS to seek input from their Land Development PMs. It may be that some of this need to just be PDS general rather than developer deposit, but they would know better than me.

Tom, are your assignment #s 14-01623 and 14-01624 appropriately assigned to PDS-Developer Fees?

If so, would you please provide me any info that would assist its admin staff in identifying which developer deposit to bill?

If not, please LMK which Client(s) these files should be reassigned to.

Thank you,

Yevette

Hi Carol,

Regarding the detail report you just sent me.....do you have any other information/project numbers for the below (file #'s 14-01623 and 14-01624) ?

I can't located their trust account numbers based on the provided info.

Thank you

Peggy
