I reserved the Fallbrook room at our offices on the 1<sup>st</sup> floor. Nick, will you update the scheduler? Thanks!

Ah, I see.

OK, Ashley, can you please reserve a conference room that accommodates nine attendees?

No, I am saying that I can no longer make the meeting regardless of location. I have to attend a separate 1pm meeting.

To accommodate the wildlife agencies who will be here for batching from 9am to noon. We can move the meeting here. But I cannot attend.

Hi Mindy,

OK, so it sounds like if you're a necessary party, the meeting should be at the County. But if Ashley is the only necessary County person, Dudek at 1 p.m. should be OK as currently planned?

Jim and Patrick: thoughts?

The batching meeting will be here and will likely last until noon-ish. If we move the meeting here at the County offices, that may help everyone. But the reason I've been slow to respond is that I've now been scheduled for a mandatory meeting at 1pm that day that I can't get out of. So that raises the question of how much you all need me. I am thinking that Ashley can cover everything for our department, and I will join as soon as I can...?

Ashley and Mindy,

Eric pointed out a possible scheduling conflict. Is that County Batching meeting a problem for you?

Thank you Nick,

It looks like there is a County Batching meeting just prior to that. Will the County confirm that they can be in attendance? Thank you all, I just want to ensure that we have a productive meeting.
