Subject: Rugged and TDS Conditions

I am working on compiling conditions for the Tierra Del Sol and Rugged Major Use Permits. In the following folder, you will find draft copies of the MUP decisions containing draft conditions as well as a spreadsheet that provides a crosswalk from the MMs/PDFs in the EIR and the condition number(s) in the decisions:

<S:\temp\Ashley Gungle\SOITEC SOLAR DEVELOPMENT\Staff Review of Conditions>

I will be getting each of you a task to review these conditions and provide me with any changes or additions that are needed.

Please let me know if you have any questions.

Thanks,

Ashley
