6:00 – 8:00 p.m.

City of Carlsbad Faraday Center
1635 Faraday Avenue • Carlsbad, CA 92008

Master Plan Preferred Alternative and Environmental Scoping Meeting

During the public meeting, the airport project team plans to:

- Review the County's Preferred Airport Alternative
- Review the Capital Improvement Phasing Plan
- Provide an Overview of the Environmental Process
- Discuss Public Involvement & Next Steps

The Preferred Alternative was developed based on Federal Aviation Administration design standards and public feedback.

There will be an informational presentation on the proposed facility improvements and the environmental review process at 6:15 p.m. Afterwards, attendees will be able to learn more by visiting various project stations and provide written comment regarding the scope of the environmental analysis. The project team will be available to answer questions.
