Address of Owner (if different from Resident): _____

As an Owner/Resident of a building served by the San Diego County Sanitation District, 5500 Overland Avenue, Suite 315, San Diego, CA 92123, (858) 514-4990 ("District"), it is the District's goal to at all times provide quality and functional sewer service.

In order for the District to assess and potentially take action to remediate a sewer system back-up or other sewer service failure ("Sewer System Failure"), it is necessary for the Owner/Resident to grant the District the right to enter the impacted private property. Owner/Resident hereby

Authorizes

Does not authorize

the District the right to enter the above identified Property under the following terms and conditions:

Right-of-Entry: Owner/Resident hereby grants the District, and the District's officers, employees, agents, and contractors (collectively "District Staff"), the right to enter onto the Property and into any structures on the Property to ascertain the cause and extent of the Sewer System Failure. District Staff may take photographs and perform non-destructive tests or inspection activities to attempt to ascertain the cause and extent of the Sewer System Failure. Following the inspection, District Staff shall promptly inform the Owner/Resident if the District is able to perform any work to address the Sewer System Failure. Owner/Resident grants District Staff the right to enter onto the Property to stop the overflow of sewage by

any reasonable means; remove wastewater liquids, particulates and other material; conduct disinfection activities; and perform remediation and repair work.

Denial/Termination: Owner/Resident may request that District Staff cease all or some inspection or other activities and leave the Property or any portion of the Property or structure on the Property at any time. District Staff shall promptly cease activities and leave the Property or portion of the Property or structure as requested by the Owner/Resident.

Self-Repair/Contractor of Choice: Owner/Resident may at any time refuse to allow District Staff to perform damage assessment, clean-up, disinfection, remediation work repairs or other work on the Property. Upon the passage of a reasonable time following Owner/Resident notifying District of the refusal, the Owner/Resident shall allow District to remove any equipment, supplies or tools on the Property. Upon removal of the equipment, supplies or tools, District Staff's right of entry to perform clean-up and remediation work shall terminate.

Claims: Owner/Resident may file a claim pursuant to the Government Claims Act, Government Code Section 810 et seq., against the District for personal injury, property damage, temporary lodging, and other expenses Owner/Resident feels should be paid by District as a result of the Sewer System Failure. All claims should be submitted with receipts, invoices, cancelled checks and other documents evidencing the expense and payment(s) made by Owner/Resident. Claim forms are available on the County of San Diego website at www.sdcountry.ca.gov.

Not an Admission of Fault: Any offer by District Staff to enter onto the Property and any structure located within the property, to perform any testing or inspections, or to perform any clean-up, remediation or other work, shall not be construed as an admission of fault or liability by the District nor be understood or interpreted as a reason for Owner/Resident to fail to take reasonable steps to limit loss or harm from the Sewer System Failure. Owner/Resident should take reasonable action to protect persons and property from injury as a result of any Sewer System Failure regardless of any action taken by District Staff.
