All programs listed in this pamphlet receive funding by contract with the County of San Diego. Services are provided without discrimination on the basis of age, sex, race, disability, or inability to pay. Bilingual (Spanish) services are available. Client fees are waived for Medi-Cal eligible persons participating in Medi-Cal certified services. Services are not denied if the individual is unable to pay.

Programs are organized by region but services may be sought at any location.

Pregnant teens have priority admission to recovery and treatment programs.

ADOLESCENT PROGRAMS

Adolescent substance abuse programs provide treatment for adolescents and their families. Outpatient services, crisis intervention, and residential treatment services are offered in our urban and rural communities.

Program Goals:

- Provide developmentally appropriate substance abuse treatment services for adolescents throughout the County
- Assure access to care
- Help youth reach their full potential by achieving a substance free lifestyle
- Promote self-sufficiency through education or employment
- Contribute to the decrease in crime by ensuring that participants have no new arrests
