

- I. **Authority:** Division 2.5, Health and Safety Code, Section 1798.163.
- II. **Purpose:** To establish a policy and procedure for de-designation of a trauma center.
- III. **Policy**
- A. Termination for Cause:
1. County may immediately terminate its Trauma Center Agreement if a trauma center's license to operate as a general acute care hospital is revoked or suspended.
 2. County may immediately suspend its Agreement upon written notice if a trauma center is in gross default of material obligation under its Agreement, which default could adversely affect patient care provided by Contractor.
 3. For any other material breach of its agreement, County may terminate a trauma center contract for cause, per the language of the Agreement. Such cause shall include, but not be limited to:
 - a. Failure to comply with material terms and conditions of the trauma center contract, after notice of the failure has been given.
 - b. Failure to make available sufficient, qualified personnel and hospital resources to provide immediate care for trauma patients as required by Section C of the contract.
 - c. Failure to provide timely surgical coverage for trauma patients as required by Section C of the contract.
