

County of San Diego Health and Human Services Agency

Ryan White Primary Care Program Information for Patients

Eligibility Information for Ryan White Primary Care (RWPC)

- Available to those between the ages of 21 and 64 with an HIV positive blood test, and who have no other source of payment for health care, for example, Medi-Cal, Medicare, private insurance or insurance obtained through Covered California. **All participants will be regularly screened for other payors (including Medi-Cal, Medicare, private insurance and Covered California insurance).**
- RWPC Participants must enroll or recertify every six months.
- If you are referred, you must complete the application process for other health coverage (for example - MediCal).

Covered Services

Medical

- Primary care medical services related to HIV disease provided by a primary care provider at the below listed clinics:

Family Health Centers of San Diego
Ciaccio Memorial Clinic (619) 515-2587
North County Health Services
San Marcos (760) 736-6700
Oceanside (760) 757-4566
Encinitas (760) 753-7842

San Ysidro Health Center
Main Clinic (619) 662-4100
King Chavez Health Center (619) 662-4100
UCSD
Mother, Child & Adolescent Program (619) 543-8089
Owen Clinic (619) 543-3995
Vista Community Clinics
Tri-City Community Health Center (760) 631-5000

- Some lab tests and some diagnostic services by non-clinic providers if ordered by a primary care provider.
- Viral load and drug resistance tests (with limitations) when ordered by the primary care provider.
- Basic vitamins and nutritional supplements (limited to 3 months) when ordered by the primary care provider.

Pharmacy

- Medications on the approved Ryan White Formulary list are covered when ordered by the primary care provider or a referred specialist. Drugs not listed in the formulary must be authorized before the pharmacy will fill the order.
- Ryan White program does not pay for drugs covered by the AIDS Drug Assistance Program (ADAP). To apply for ADAP coverage ask the clinic staff for a referral or call (619) 293-4722 or (888) 311-7632 for more information.

Dental

- Emergency, medically necessary, and palliative (pain relief) care is available.
- Call to make an appointment at a participating dental clinic:

King Chavez Health Center (619) 662-4100
Main Clinic (619) 662-4100
Oceanview (619) 662-4100
Vista Community Clinic
Tri-City Community Health Center (760) 631-5000

Hospital and Emergency Care Services are Never Covered

Hospitalization and emergency care services may be covered by other programs (CMS and Medi-Cal) if you qualify. Clinic staff can tell you how to apply for other programs that may cover expanded services.

If you have any questions ask your clinic staff.
