

BLS / ALS

- Ensure patent airway
- O₂ and/or ventilate prn
- Advise patient not to bathe or change clothes
- Consult with law enforcement on scene for evidence collection

If the patient requires a medical evaluation:

- Transport to the closest, most appropriate facility.
- Law enforcement will authorize and arrange an evidentiary exam after the patient is stabilized.

If only evidentiary exam is needed:

- Should release to law enforcement for transport to a SART facility.

Approved:

Ben Myers
EMS Medical Director
