| Bridge or River Crossing | |

Volcan Mountain Wilderness Preserve offers approximately 2,900 acres of mixed conifer forest. Summer hikes to the Volcan Summit are 5 mile round-trip hikes that offer spectacular views from the desert to the coast. Hikes are led by the County Ranger and docents, leaving from the Hubbell Gateway at the entrance to the preserve on Farmer Rd. Bring water, a snack, good footwear and sun protection.

Please note that dogs are not permitted in the preserve.
