Election of new Vice Chairperson.

Tricia Lane and Jerri Arganda were nominated by Dennis Sanford and a vote was called for. William Crocker moved and Nita Pearce seconded. Vote in favor was unanimous.

VI. Old Business and Reports

a. Roads and traffic . Tricia Lane has contacted Pam Moss of Bonsall for help with information on freeway traffic spill-off into local roadways.

b. I-15 Design Review. Crocker No meeting of I-15 DRB

c. Water and environmental issues. Dennis Sanford . The attempted takeover of Rainbow Water District by FPUD was updated by Mr. Sanford. Lafco is asking Rainbow Water to respond on positions taken by FPUD on this matter. Rates were discussed and the consensus is that Rainbow Water rates are lower than thos of FPUD. Bill Horn has no position on this matter. LAFCO staff position will be know in 3-4 months.

No change in staus of water pipe installation by RB Water on Rice Canyon Road.

d. No report on Gregory Canyon.

e. Emergency Planning. Mark DiVecchio reporton his research on the status of emergency planning for Raibow. After contacting North county fire and the Rainbow Volunteer Fire Department Mr. DiVecchio concluded the county has no plans to update emergency eavacuation routes.i It is generally believed that RBCPG has no mandate on this question. It was agreed that we should refer the question to RPOA.

The question of gates across egress roads in the area was raised. Dennis Sanford volunteered to check out a gate that allegedly belongs to the Rainbow Water Department. This gate is on Rainbow Creek Road and inhibits passage to or from Jubilee and Anderson roads

f. Rain runoff issues and possible flood hazards. Trica Lane continues her research.

VII. New Business

Should RBCPG take a position on Governor Brown action to redistribute water rights in areas of the State? Decision was no. No position will be taken.

Call for Agenda Items. Adjournment 8:18

Next Meeting November 19, 2014
