Re: McCormac Tentative Map TM 5553
Noise Issue

Dear Mr. Campbell,

The project has been reviewed, and is not within noise Impact zone of the Fallbrook Airport.

The project is well outside the 60CNEL noise contour.

Sincerely,

Ivan R. Fox, PE

Dear Dennis,

The project has been reviewed, and the project is not anywhere near the noise contours that cause a problem.

Ivan Fox, PE, can provide a statement to that effect with the map attached if needed.

Please let us know what you might require.

Thank you.
