Subject: cell tower proposal
Date: Tuesday, February 17, 2015 8:02:43 PM

Ms. Fitzpatrick,
In researching the potential harmful health effects of EMF , I urge you to deny approval for building a cell tower in Ranchita.

I hope that the community where I live would also reject such a proposal in order to protect the health of its citizens .

We certainly do not want to regret, in the future, a decision to build the tower and find out that in fact, we ignored the scientific and medical information about living near cell towers.

Respectfully,
laurel Granquist
Julian, CA
