 EIR COMMENTS RE: PROBLEMS OF UNAUTHORIZED STUDY

Dear Ashley,
 The Jucamba Solar EIR comments titled as "EIR COMMENTS RE: PROBLEMS OF UNAUTHORIZED STUDY" are attached to this E-Mail. I gave Jim Bennentt a heads up on the issues included in these comments last week. He hopefully has discussed them with you.

The issues in my comments are still unfolding. I see the distinct possibility of some "Brown Act" problems as we move forward on the project. I suspect that PDS will not want to be a party to any Brown Act issues. I will attempt to monitor any I might observe and also communicate them to you.

Sincerely,

Howard W Cook - Jacumba Hot Springs - 619-766-4640
