Rough Acres Ranch Public Scoping Meeting Comments  
PDS2012-3300-12-021

Jim Bennett,

Our Fire Safe Council's main concern is in regards to mitigation in relation to fire safety. We request that all mitigation stay in the Boulevard area. We also stress that equipment isn't the need, but rather 24/7 staffing. There is currently no evacuation center or staging area for the Boulevard community.

Thank you for your consideration,
