NEW BUSINESS

1. Verizon Wireless Telecommunications Facility; ZAP00-098W2; Spring Valley Community Plan Area (Chan)

The applicant proposes the addition of three panel antennas to an existing 35-foot tall monopole currently mounted with three panel antennas and one data dish. In addition, a new equipment cabinet would be installed within the existing equipment enclosure. The project is subject to the General Plan Regional Category Current Urban Development Area (CUDA), Land Use Designation (16) General Impact Industrial, and is zoned M52 (Limited Industrial). The project site is located at 2554 Sweetwater Springs Boulevard, Spring Valley (APN# 505-230-47-00), within the Spring Valley Community Plan Area.
