Hearing Room – 8:30 a.m.

1. Borrego Springs Fire Protection District Wireless Telecommunication Facility; ZAP 89-025W^b; Desert Subregional Plan Area (Morgan)

The Applicant requests a Minor Use Permit Modification for an existing unmanned wireless telecommunication facility. The proposed project consists of the removal of three existing omni whip antennas and the installation of up to twelve panel antennas on an existing lattice tower. Additionally, one new equipment cabinet would be added to an existing equipment shelter. The project site is located at 2332 Stirrup Road within the Desert Subregional Plan Area. The site is developed with an existing lattice tower and a Borrego Springs Fire Protection District Fire Station and is subject to Regional Land Use Category Current Urban Development Area (CUDA), General Plan Land Use Designation (14) Service Commercial and C38 (Service Commercial) Zoning.
